

SIXTH INTERNATIONAL CONFERENCE

Mental Lexicon

OCTOBER 7-10, 2008
BANFF, CANADA

CALL FOR PAPERS

The Sixth International Conference on the Mental Lexicon is soliciting abstracts for paper and poster presentations that bear on the questions of how words are represented in the mind (in terms of phonological, orthographic, morphological, syntactic, and semantic properties), how they are linked to one another, and how they are accessed during language use. We welcome submissions of theoretical, psycholinguistic, neurolinguistic, computational, and neuroimaging research.

Abstract submission deadline May 9, 2008
